BOND REDUCTION AND BOND RELEASE INFORMATION

BOND REDUCTION –

After construction, as-builts must be reviewed by the district's engineer (Earth Tech) and approved by the Board of Commissioners of the Central Broward Water Control District (CBWCD) at their regularly scheduled meeting.

Upon approval, a request for reduction of Bond or Letter of Credit may be submitted. The request must be made in writing and addressed to Mr. Michael Crowley, District Manager of the Central Broward Water Control District.

The District may grant 90% reduction of project's indemnification, and hold 10% for the provision of maintenance for a period of one year.

BOND RELEASE –

After a maintenance period of one year following the reduction of Bond or Letter of Credit, the applicant may request a full release of Bond or Letter of Credit. This request must be made in writing and addressed to Mr. Michael Crowley, District Manager of the Central Broward Water Control District. This request must be submitted along with a copy of the Bond or Letter of Credit.
