

CENTRAL BROWARD WATER CONTROL DISTRICT
STORMWATER CERTIFICATION REPORT

PERMIT NUMBER: _____

PROJECT NAME: _____

PROJECT ADDRESS/LOCATION: _____

INSPECTION DATE(S): _____

INSPECTION RESULTS: (CHECK ONE)

_____ I hereby certify that I, or my designee under my direct supervision, have inspected the components of the stormwater management system at the above referenced project and that the SYSTEM IS FUNCTIONING IN CONFORMANCE with the paving, grading, and drainage plans approved by the District; that no structural modifications have been made to the system; and that the system is well maintained at the current time. I have prepared a list of necessary maintenance conducted (attached).

_____ I hereby certify that I, or my designee under my direct supervision, have inspected the components of the stormwater management system at the above referenced project and that the SYSTEM IS NOT FUNCTIONING IN CONFORMANCE with the paving, grading, and drainage plans approved by the District. I have prepared a list of deficiencies (attached), and have informed the entity responsible for the operation and maintenance of the following: (check one or more as appropriate:

_____ (A) that the system does not appear to be functioning properly and that monitoring may be required as determined by the District.

_____ (B) that maintenance is required to bring the system into compliance, and that if maintenance measures are not adequate to bring the system into compliance, the system may have to be replaced or an alternative design constructed subsequent to District's approvals

_____ (C) that repairs are required to bring the system into compliance, and that if the repairs are not adequate to bring the system into compliance, the system may have to be replaced or an alternative design constructed subsequent to District's approvals
